

POSITION: INFORMATION TECHNOLOGY COMMITTEE

APPOINTED BY: NPYM Steering Committee

NOMINATED BY: NPYM Nominating Committee

TERM LENGTH: Overlapping three-year.

MEMBERS: Not yet defined. Webkeeper, Secretary and Registrar are ex officio members.

REPORTS TO: NPYM Steering Committee Executive Committee

DEFINITION: Responsible for developing policies and providing recommendations regarding hardware and software for NPYM functioning, including the NPYM website, telecommunications and security issues. They would consult with Legal and Finance Committee regarding legal issues encountered, but report to Steering Committee for final approval of recommendations. The committee has the authority to make minor decisions on its own, such as the selection of an internet service provider.

OVERSIGHT: Members will be recommended by Nominating Committee to Steering Committee. The committee will recommend additional skills and qualifications for committee members as they identify these.
