

Montana Gathering of Friends (Quakers)

February 28,2017

To all people of faith:

We live in a time of real fear and polarization. It is a time when our faith calls us to act from the deepest values and principles of our individual beliefs and the tenets of our faith communities.

Montana Quakers (Religious Society of Friends) met during the weekend of February 24 - 26, 2017 for worship and fellowship at Camp Mak-a-Dream in Gold Creek, Montana. In the manner of Friends we adopted this Minute which is a statement of our deeply shared beliefs and commitment to those who are living in fear and distress at this time and are in need of support and protection. In the minute we speak of building connections and bridges. We share this minute with you in hopes of beginning this process.

In Peace,
