

North Pacific Yearly Meeting Nominating Committee

Report to Coordinating Committee, Spring of 2018

We have at this time three nominations for the Coordinating Committee to consider for approval for appointments in North Pacific Yearly Meeting:

- Kathryn Willard (Tacoma) for the Annual Session Physical Arrangements Clerk, 2018 gathering
- Jasmine Krotkov (Montana Gathering of Friends) for a representative to the Friends Committee on National Legislation from October of 2018 through September of 2021
- Amanda Franklin (University) for the Epistle Committee, 2018 gathering

Kathryn Willard's offer to take up the Physical Arrangements Clerk's position comes with vacating the Volunteer Coordinator's position. That will become one of our priority positions to fill in the next month or two.

While we are looking to fill all current vacancies of Yearly Meeting appointments and are looking at positions that will become vacant in October, we're currently emphasizing our recruiting efforts on the Youth Committee. If members of the Coordinating Committee or Executive Committee have immediate concerns about specific vacancies, we will focus on those at our next Nominating Committee meeting.

Respectfully submitted,

Ted Etter, Clerk

Nominating Committee
