

North Pacific Yearly Meeting Nominating Committee

Report to Coordinating Committee, Spring of 2019

The Nominating Committee has met regularly since the last Coordinating Committee meeting. We've been working with four active members, one inactive member, and one vacant position. In our searches for nominees to join committees or become coordinators, we've learned how many Friends have commitments to their own Meetings and Quarterly Meetings.

We are still in the same condition that led to the creation of the Ad Hoc Committee on Nominations last year. That committee met a couple of times in 2018 and can be expected to start meeting again this spring. At this time, that committee has no recommendations on restructuring our committee and coordinator list. One spin-off of the committee's activity was the creation of another committee to look into the merits of holding Annual Session at a fixed location and/or having paid organizers.

The Nominating Committee members are aware that with the approach of Annual Session, many current positions will term out at the end of September. We are starting to look at pending vacancies in addition to trying to fill existing vacancies before Annual Session meets in July.

The nominations we offer for approval at this meeting of the Coordinating Committee are:

Position	Term	Nominee
General Arrangements	10/18 - 9/19	John Etter
Registrar	10/18 - 9/19	John Gotts
Assistant Registrar	10/18 - 9/19	Judy Lackey
Epistle Committee	10/18 - 9/20	Iris Graville
Volunteer Coordinator	10/18 - 9/19	John Gotts

Respectfully submitted,

Ted Etter, Clerk

Nominating Committee
