Please post this O&V paragraph for the Coord Comm members to read and take to their meetings --

The Outreach and Visitation committee is pleased to report that our second travelers under NPYM's Knitting Us Together program have been selected. Al and Shari Hendrix, joint members of Lower Columbia WG (NPYM) and Camas Friends Church (NWYM), will be traveling in their RV at the end of March into early April through MGOF and SE Washington/mid-Idaho with a loooong list of possible topics and offerings. Your O&V committee, consisting of just 3 far-flung people plus "friends of O&V", work determinedly to bring the YM this visitation opportunity. We are seeking more Friends to join us. I think no one questions the value of willing travelers Knitting Us Together. Your help in bringing these opportunities for service to your Meeting will be at appreciated - to serve on O&V, to travel to to accompany trailers as an "elder". John Allcott of Eugene MM will be the only O&V member in attendance at this summer's Annual Session. Please seek him out for more information.

Otis, I'd like 10-15 minutes on the CC agenda to get feedback on the above information. Thanks. See you Saturday in Olympia. Elee
