

Billings Monthly Meeting  
State of the Meeting Report

July 16, 2017

We are happy to report that the Billings Monthly Meeting is not only healthy and active but attendance is growing. We still meet every Sunday morning – except in the month of August – at Angela’s Piazza, 420 Grand Ave. We now have at least 6 – 8 regular attenders every Sunday. In addition we have been holding Meetings for Learning about once every other month. We then have 10-12 attendees. This last year we have focused on Pendle Hill Pamphlets. It has been very helpful for both those who have been attending Quaker Meetings for many years as well as those who are just recently commenced meeting with us. We also sent some money and moral support to the Refugee work done by Soft Landing in Missoula. We signed on a guest editorial in the Billings Gazette organized by some of the churches in Billings on Refugees. Our treatment of people who are fleeing from war or from dangerous situations is important; assisting refugees who do make it to this country to feel welcome is also important.

Respectfully submitted,

Thomas E. Towe, Co-Clerk
