

State of Society Report for Florence Worship Group-2021

Our small group did not meet during the 2020 year due to the Covid-19 virus. But as of this month, May 2021, we are just starting to meet again in our homes with those that are vaccinated. Fifth Sundays will now be held at recently arrived ELee and Neal Hadley's (from Umpqua Worship Group) in Mapleton for worship, singing and potluck in the fashion that Mary Lou Goertzen used to hold in Deadwood. She would be pleased to know we are carrying on that tradition.
