

## State of Society Report 2018

### Umpqua Valley Friends Worship Group (Quaker) (FB)

Not a great deal of change in this small group! We routinely have 7 regular attenders, with a number of other folk who almost never attend but their presence lends us spiritual support. We have welcomed increased interaction with Friends from our overseeing Meeting, Eugene MM, and are grateful for those contacts. We love sharing our homes for Meeting and continue our practice of gathering for brunch at The Lighthouse in Umpqua on 5<sup>th</sup> Sundays. We very much enjoy being an “outpost” for visits from Quakers and other seekers occasionally. Our outreach efforts in the Douglas County area have not been very successful in attracting others to attend our Meetings regularly. Still we continue to meet at 11 am every Sunday.....
