

NPYM Nominations

October 1, 2015 - September 30, 2016

This is the slate of YM officers and committee members as of the end of Annual Session 2014. As nominations become available for the few vacant positions Nominating Committee will seek approval from the Coordinating or Executive Committees. Once approval happens the new names will be added to the grid posted on the website.

The date listed next to the name is original date of approval and may not be in alignment with the terms of office due to appointments that came mid term because of back filling a vacant position, or because Nominating Committee wanted to balance the committee for continuity, or because of a reappointment beyond the first term.
